The screenshot shows the XENTRY Diagnostics software interface. At the top, the title bar reads "XENTRY Diagnostics" and includes a Mercedes-Benz logo and the text "Mer". Below the title bar, the "Diagnosis" section is active, showing a battery icon, "12.0V", and a checked "Igni" status. The main content area is titled "Safety information" and contains the text: "The following safety information must be complied with:". Below this, there is a numbered list of four items, each with a blue underlined link and a version number in parentheses: 1. [Avoidance of damage to electronic components due to electrostatic discharge](#) (Version 1.0 of 2009-10-01); 2. [General test information](#) (Version 1.0 of 2009-10-01); 3. [Use of diagnostic units while driving](#) (Version 1.0 of 2009-10-01); 4. [Note: You have specific access authorization Development data.](#) (Version 1.0 of 2009-10-01). The fourth item is highlighted with a red rectangular border. Below the list, there is a confirmation prompt: "I confirm that I have read the safety information:" followed by a right-pointing arrow and a checked checkbox. On the left side of the interface, there is a vertical toolbar with icons for a car, a document, a stethoscope, "TIPS", a car with a wrench, and a pencil. At the bottom left, under the heading "Important notes:", there is a red "Caution!" warning icon.
